**Pride of Place Partnership: Street and Communal Area Reps' Meetings**

POPP meetings are for residents living in an area where BCHF provides housing. Residents can volunteer as a Street or Communal Area Rep to work with us and our partners to keep the area clean, safe and green.

The duty of a POPP Rep is to report any issues that affect the cleanliness, safety or quality of the local area. You can do this by coming to the meetings or sending a reporting form to your local POPP Co-ordinator.

POPP Reps may also wish to organise local litter picks, walkabouts or meetings to address community safety concerns in their local area. BCHF can provide assistance with this. Please contact your local POPP Co-ordinator if you would like to find out more.
